Dear Kingston Technology,

I am beyond thankful to have been chosen as one of the scholars from the Kingston Technology–Hoag Classic Scholarship this year.

This is truly a blessing for me to begin my new journey towards becoming a fantastic chef. As we know, these past few months have not been easy for many people, specifically in the hospitality industry. I have been blessed with Kingston Technology and their generosity that has been able to keep me on my feet moving forward and allowing me to finish my courses without fail.

Again, I am beyond appreciative to have had the honor to not only receive this scholarship but to be the first of many others in waiting to be chosen by Kingston Technology. Thank you from the bottom of my heart!

Sincerely,  
Luis Cornejo
