Dear Kingston Technology,

Thank you for the generous Kingston Technology–Hoag Classic Scholarship for 2022 in the amount of \$5,000. I am incredibly pleased and appreciative to learn that I was selected as the recipient of this scholarship award.

Let me tell you about myself. I recently finished my high school (HiSET certificate) last summer. After being in the industry for about 30 years, my next step is to become a sous-chef. Currently, I am enrolled in the Contemporary Cooking School and plan to graduate from the Culinary LAB fall 2023. Thanks to your generous scholarship, I am one step closer to achieving my goal.

By awarding me the Kingston Technology–Hoag Classic Scholarship, you have reduced my financial burden, which allows me to focus on my schoolwork and not worry so much about how I am going to pay for school. I hope one day that I will also be able to help struggling students reach their goals in higher education by assisting them in the same way you are helping me. Thank you very much for your generosity.

Sincerely,
Andres Kempis Ulloa
